

CORPORATE PARTNERSHIP OPPORTUNITIES

Inspiration in Every Connection

What's Inside:

Discover how your partnership with Cleveland Hearing & Speech Center (CHSC) makes a lasting impact. Inside, you'll find details about our **Business Partners program** and **Big Wheel Relay sponsorship opportunities**—two unique ways to support communication access for all.

BUSINESS PARTNERS

Year-round sponsorships that sustain CHSC's programs, expand access to care, and strengthen communication equity across Northeast Ohio.

BIG WHEEL RELAY SPONSORS

Event-based partnerships that celebrate community, raise awareness, and fuel CHSC's mission through our signature annual fundraiser.

Communication Matters

Communication is essential to learning, working, and building relationships. Yet for many in our community, communication disorders and deafness create barriers that can lead to **isolation, limited education, and job insecurity.**

Be the Difference

Your support **sustains and expands** CHSC's life-changing programs—**providing free or reduced-cost care**, removing barriers, and **empowering individuals** of all backgrounds to thrive.

What is Big Wheel Relay?

Big Wheel Relay is a team-based relay event like no other. Participants (in teams of 4) race on big wheels, cheered on by friends, family, and coworkers.

Over the past 12 years, Big Wheel Relay has raised **more than \$522,000** in support of CHSC programs, ensuring communication access for all.

Your Support in Action

Because of your participation and generosity, **CHSC is able to deliver essential services** in hearing, speech, interpreting, and Deaf/HHoH community support—**reaching thousands across Northeast Ohio**, regardless of financial means.

ABOUT CHSC

Who We Are

Cleveland Hearing & Speech Center (CHSC) has over **100 years of history** helping individuals with communication challenges become independent members of the **Greater Cleveland Community**.

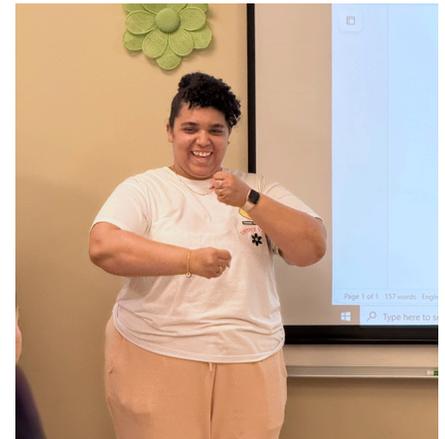

Our Mission

Cleveland Hearing & Speech Center provides **speech-language, hearing, language interpreting, and Deaf services**. We advocate for equal access to information and communication and **value all individuals' language choices** equally.

Our Vision

A community where every person can communicate effectively.
