

FACetime Summer Camp 2021

*Fluency, Attitude & Communication Effectiveness
for children ages 9 - 16 who stutter*

HURRY!
Space is
Limited!

Monday, July 26 - Thursday, July 29
9:00 am - 3:30 pm

The FACetime Summer Camp at Cleveland Hearing & Speech Center is designed for older children and young teens who stutter. Campers will participate in individual therapy at the University Circle location that will address his/her personal goals for the week, and group therapy where they will be encouraged to talk with peers who stutter in fun and interactive activities. The campers will practice their skills in real-life situations at restaurants and attractions local to University Circle. Masks will be required at the camp for all participants and camp staff. Social distancing practices will be in effect.

\$415 per child (other funding options may be available)
For more information or enrollment please contact
Lauren Masuga at 216-325-7530, or lmassage@chsc.org
