Does your child enjoy playing with Legos®?
Use that interest to encourage social communication skills by participating in our Building Blocks Social Skills Club!

Research has shown that children who struggle with social skills can make progress in this area through participation in Lego® group building activities.

The Building Blocks Club will meet once a week for six weeks, and will focus on the following skills: verbal and non-verbal communication, confidence building, listening, collaborative problem solving, turn-taking, sharing, following directions, conversation, focus, play skills, and making friends.

Cost is $150.00 for 6 week session • Minimum enrollment is 6

Please RSVP by Friday, May 15, 2020
Contact Tracy Biller, 216-309-0588 to RSVP or for more information!
