

Northeast Ohio Adults
Communicating Together (NEO-ACT)

Music THERAPY

Wednesdays • 3:15-4:15 pm

June 19- August 28

Presented by Beck Center for the Arts

In this interactive group, participants can expect to listen, sing, dance, and play instruments to their music of choice in a relaxed, supportive, and ability-oriented environment. The unique components of music (tempo, phrasing, rhythm, etc.) will encourage participants to engage their speech and motor skills, all while having a good time!

Cost is \$90 for the 9-week session

A board-certified music therapist from the Beck Center for the Arts will facilitate this group.

There will be no sessions on July 10th and August 14th • No music experience required!
